Please carefully read the following information:

The contractual user of any County Boat Slip MUST be available during the scheduled time of the event and MUST have a copy of this rental contract at the event. Boat Slips may be randomly checked on rental dates and if the user is not present and/or the rental contract cannot be provided, the parties will be subject to being asked to vacate the premises and the user will forfeit the user fee and the deposit fee.

BOAT SLIP HOURS: The rental period ends at 12:00pm (noon) the following morning, and the boat must leave the slip by 12:00pm (noon), or the user will be charged for an additional day. The user is NOT allowed to enter the Boat Slip the day before or the day after the rental period unless it has been reserved and paid for in advance. The user should consider this time frame if there's a need to launch and recover the boat and also to allow time to clean the Boat Slip upon completion. No overnight vehicle parking is allowed unless the rental is for an overnight stay. Any equipment or vehicles left on the premises after the rental period is over will result in billing for the subsequent day.

RENTAL FEE:

- A. A rental fee is required for 24hr period of use for the Boat Slip
- B. If not cancelled, the rental fee will still be charged, even if the Boat Slip is not utilized during the rental day/period

I further understand that failure and/or disregard to this contract may result in the loss of all or part of my deposit fee, and debarment from future rentals. If the Boat Slip or surrounding area is damaged, additional expenses may result and I may forfeit the right to future use of any Chambers County facility or Boat Slip. I also agree that I, and my visitors, are operating at our own risk and I hold harmless the County for any expense, injury, harm or damage arising out of the use of the Boat Slip.
